"If it's made of rubber, we will make it for you."

WHAT WE MANUFACTURE

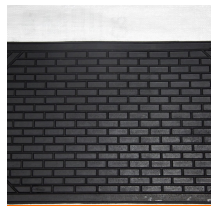

OUR PRODUCT RANGE

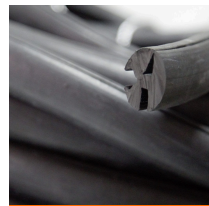

RUBBER ROLLERS
Manufacture & re-rubberize

RUBBER SHEETING
1mm - 25mm sheets

MOULDING
Custom moulded parts

EXTRUSION
EPDM profiles

MICROS
Footwear micro sheets

LPG HOSES
KEBS-certified

ABOUT US

PAGE 02 — WHO WE ARE

Plastics and Rubber Industries (2005) Ltd is Kenya's oldest rubber manufacturer and the longest-running rubber manufacturing plant in East Africa, with roots dating back to **1967**. We produce high-quality rubber products that meet international standards at competitive prices.

We manufacture rubber rollers, re-rubberize rollers, moulded products, EPDM rubber profiles, and rubber sheetings made from a wide range of compounds including EPDM, SBR, NBR, Neoprene, Silicone, Hypalon and Natural Rubber. All products are manufactured to KEBS, British and Indian standards.

MISSION

To deliver world-class rubber products that empower industries across East and Central Africa.

VISION

To remain the most trusted rubber manufacturer in the region — known for quality and innovation.

VALUES

World-class quality, unmatched customer service, and environmentally sustainable practices.

#1

EAST AFRICA'S LARGEST

OUR PRODUCTS

PAGE 03 — CORE MANUFACTURING

01

RUBBER ROLLERS

Manufacture & re-rubberize to client specification

We manufacture brand new rubber rollers and re-rubberize used rollers to exact client specifications using world-class imported compounds. Available in any shore hardness and a quick turnaround time.

- ▶ **Compounds:** EPDM, SBR, NBR, Neoprene, Hypalon, Silicone, Natural Rubber
- ▶ Custom diameters, lengths and shore hardness
- ▶ Industries: printing, steel, textile, leather, footwear

02

RUBBER SHEETING

1mm to 25mm — synthetic & natural compounds

Rubber sheeting manufactured in thicknesses ranging from 1mm up to 25mm in a variety of synthetic and natural rubber compounds, engineered for industrial and commercial use.

- ▶ Footwear and shoe-sole manufacturing
- ▶ Waterproofing and electrical insulation
- ▶ Gym flooring and anti-vibration matting

OUR PRODUCTS

03

RUBBER MOULDING

Any item moulded to specification

We mould a wide range of rubber components for automotive, industrial and consumer use. If it can be moulded, we will make it for you.

- ▶ Car mats, door mats and floor matting
- ▶ Bumper rubbers and damping rubbers
- ▶ Radiator hose pipes and custom seals

04

RUBBER EXTRUSION

EPDM profiles for construction & automotive

Precision-extruded EPDM rubber profiles designed for long service life in demanding environments. Custom profiles produced to client drawings.

- ▶ Aluminium-profile fabrication and glazing
- ▶ Construction joinery and weather seals
- ▶ Automotive door and window profiles

OUR PRODUCTS

05

MICROS SHEETING

High-abrasion micro sheets

High-abrasion micro sheets engineered for footwear manufacturing — the preferred choice for shoe soles and beach sandals across the region.

- ▶ Superior abrasion and tear resistance
- ▶ Available in a wide range of colours
- ▶ Ideal for soles, sandals and outsoles

06

LPG RUBBER HOSE PIPES

Your safety at home.

LPG cylinder-to-stove rubber hose pipes manufactured to British, Indian and KEBS standards. Trusted for safe domestic and commercial gas connections.

- ▶ Compliant with KEBS, British & Indian standards
- ▶ Resistant to LPG, heat and ageing
- ▶ Available in standard household lengths

INDUSTRIES WE SERVE

STEEL TEXTILE LEATHER PRINTING FOOTWEAR CONSTRUCTION

WHY CHOOSE US

PAGE 06 — OUR ADVANTAGE

QUALITY ASSURANCE

In-house testing and rigorous QC ensure every product meets KEBS and international standards.

47+ YEARS OF EXPERTISE

East Africa's oldest rubber manufacturer, with an in-house rubber technologist guiding every batch.

CUSTOMIZED MANUFACTURING

Tailored solutions built to exact client specifications — from compound choice to final dimensions.

SERVICE & TIMELY DELIVERY

Efficient production and reliable logistics ensure your orders arrive on schedule, every time.

"We are a one-stop solution for all your rubber requirements — your satisfaction is our priority."

GET IN TOUCH

Let's discuss your rubber requirements. Our team is ready to help you find or build the right product for your application.
